Dear Mr Justin,

The children's festival 1995 carried forward the tradition of successful events in the Federal Chancellery Park and at the same time it was a special highlight. You saw the cheerful atmosphere and the children's great enthusiasm on this day.

With its contribution, the "Baseball" group has a share in this success which was reflected in the positive reporting by the media. I would like to thank you and the members of your group for the involvement.

Yours sincerely
